

Speech

When I first came to Sherwood Forest for lower EI I was nervous, but after a while, it was by far the best school I had been to. My teachers were very helpful and encouraged me to do things that I wouldn't have liked or even dreamed of even slightly enjoying in several millennia. When I passed lower EI, I came to upper EI, and I loved it! The work was harder, and the more I finished, the more proud I felt. We had multiple fun and tricky history projects and pretty soon, my favorite subject was history. I'll be sad to leave but I'll never forget Sherwood Forest, for it was an adventure of a life time.
